

Tvheadend - Feature #1323

Option to series match (series link) based on description

2012-10-12 15:46 - Iwan Bedford

Description			
It would be nice to be able to series link on matching titles and use description matching to remove duplicates. OpenTV (SKY UK) seems to show the exact same description for repeated programmes.			
Maybe have it as an option when series linking or an 'advanced' tab?
