

## Tvheadend - Feature #147

### Add support for teletext subtitles

2010-02-20 13:01 - Tor -

<b>Status:</b>	Fixed	<b>Start date:</b>	
<b>Priority:</b>	High	<b>Due date:</b>	
<b>Assignee:</b>	Andreas Smas	<b>% Done:</b>	0%
<b>Category:</b>	General	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	2.12		
<b>Description</b>			
I use tvheadend on a daily basis with XBMC as a client and is very pleased with it. The only thing I miss is subtitles for channels with teletext subtitles (Boxer sweden...) I would love to se support for it
