

Tvheadend - Bug #2256

m3u playlist is empty

2014-08-26 14:43 - saen acro

Status:	Fixed	Start date:	2014-08-26
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	General	Estimated time:	0.00 hour
Target version:		Affected Versions:	
Found in version:	HTS Tvheadend 3.9.1353~g99ed831~precise		
Description it is not possible to get playlist http://tvh.ip:9981/playlist return empty playlist with only #EXTM3U			

History

#1 - 2014-08-31 14:07 - saen acro

saen acro wrote:

it is not possible to get playlist
<http://tvh.ip:9981/playlist>
return empty playlist with only
#EXTM3U

Adding some more info
my host is in access list, with logging by IP /not by user and pass/
this make m3u file empty, if disable this and login by user/pass, everything is OK.

#2 - 2014-09-11 12:52 - Mark Clarkstone

- Status changed from New to Need feedback

I've just tried this with the latest git and all available channels are listed in the playlist file, I'd also it tried with and without a username/password and by IP range.

Can you try with the latest master?

#3 - 2014-09-11 13:20 - saen acro

I use unstable 3.9.1438~g26c778d~precise
with is far away from git
in about is still written 2006-2013
where bug seems fixed
