<b>Description</b>			
<p>I know it's possible to manually trigger a scan using [force scan] but would it be possible to add an option to schedule a Network scan using cron? Much like the EPG grabber cron.</p> <p>IMO idle scanning is overkill but a scheduled scan would be a nice middle ground.</p> <p>Opinions?</p>			

### History

#### #1 - 2015-10-24 21:21 - Jaroslav Kysela

- Target version set to 4.4

#### #2 - 2021-02-20 22:32 - Flole Systems

- Target version changed from 4.4 to 4.6
