

## Tvheadend - Bug #3385

### cannot add new DVR profile

<b>Description</b>			
in version 4.1-1156~g888b4f5 I cannot add a new DVR profile, the add button does nothing (all view levels).			
Also I think it would be useful to "save as new" a profile if I change the name of an existing profile and save it (instead of adding a new default one and start again from scratch to create a new one).
