Also box in select map tab has a Help button with no functionality

#3 - 2015-12-11 13:54 - Jaroslav Kysela

Show pictures. The description is not understandable.

#4 - 2015-12-11 21:28 - cilin dro

- File tvh1.png added

- File thv2.png added

first pictuers you can see 2 channels with same name but are 2 diferent links. When i mapped, in channels appears 1 of the 2 channels second picture.

Help has not been written yet. If you wait for mapping status - do you see that two services were mapped ? You also asks to check the availability. Also, "--trace service_mapper" might show the reason why one service was not mapped.
