Explain your issue. USALS should work.

#2 - 2015-12-30 14:05 - mohamed laidi

i have wetek core android platform with skystar usb hd tvheadend helper for instaling driver of usb and tvheadend https client for running chanelle when i try simple configuration work fine but when i try USALS web page ..*:9981 stop working and nothing work

#3 - 2015-12-30 14:12 - mohamed laidi

tvheadend https client 4.1.03 for wetek core instaled on kodi android

Remove Android, or use SDcard Boot with OpenELEC.

<http://wiki.openelec.tv/index.php/Amlogic>

Android is not best media platform for tunners.
