**Description**

Hi  
I found one big problem. Example i have a channel:  
Kuchnia+ HD  
MiniMini+ HD  
Planete+ HD

In TVHeadend automatic create shortcut to icon:  
path/Kuchnia+\_HD.png  
path/MiniMini+\_HD.png  
path/Planete+\_HD.png

And when i put to path this files png name as i show, that in TVHclient and XBMC not show icon for this channel.  
I must change name in path to:  
path/Kuchnia\_HD.png  
path/MiniMini\_HD.png  
path/Planete\_HD.png

and names files also:  
Kuchnia\_HD.png  
MiniMini\_HD.png  
Planete\_HD.png

and now icon is show ok. Problem is when in name is name then character "+" and then "\_" and "HD".
