

Tvheadend - Feature #3759

Clear All Stats Button

2016-04-29 21:49 - Martin Walter

Status:	Fixed	Start date:	2016-04-29
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:	User Interface	Estimated time:	0.00 hour
Target version:	4.4		
Description			
Not sure about others, but I check my tuners under status / stream for uncorrected blocks and cont errors from time to time and clear the stats afterwards to reset the baseline for my next check. Would be great to have some "Clear all" button at the top so that you don't have to clear adapter by adapter all the time (mark all does not work either)...

- Target version set to 4.4

#2 - 2017-02-16 20:53 - Mono Polimorph

Hi,

I feel this function is already implemented by the API:

<http://TVHE:9981/api/status/inputclrstats>

(see: http://github.com/tvheadend/tvheadend/blob/master/src/api/api_status.c#L172)

However, this function in the API doesn't work... please, can you fix it?

Thank you!
