Target version:		Affected Versions:	
Found in version:	4.1.2047		
Description			
Hi I see that good option will be rebuild menu from EPG in Channels/EPG. Should be set as: General tab: EPG and then sub tab:EPG Grabber Channel, EPG Grabber, Moduls EPG Grabber Look In menu Channel/EPG EPG ___ EPG Grabber Channel ___ EPG Grabber ___ Moduls EPG Grabber			

History

I don't see a bug. And also I don't see a logical break there.

#3 - 2016-05-18 21:33 - Alfred Zastrow

And another argument not to do so is that there are already three menu levels reached. Creating a fourth level for three menu items only is pretty useless.
