

Tvheadend - Feature #4389

Regex in EIT grabber

2017-05-24 13:15 - Mirko Di Paolo

Status:	New	Start date:	2017-05-24
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	4.6		
Description			
It would be great have the ability to use regex to extract episode, season etc. in epg grabbed from eit like opentv			

History

#1 - 2017-05-25 14:47 - Jaroslav Kysela
