Target version:		Affected Versions:	
Found in version:	4.2.2-32		
Description			
Hi,			
I am running tvheadend 4.2.2-32 and when I click on the clone button in the CA page of the webif of tvheadend, I get the same dialog as if I would have clicked on the Add button near the Clone button. Thus, I suppose that there is something wrong with the Clone button.			
Have a nice day.
