

Tvheadend - Bug #5438

DVR Errors not counting up in Subscriptions view

2018-12-15 18:33 - Flole Systems

Status: New	Start date: 2018-12-15
Priority: Normal	Due date:

Target version:	Affected Versions:
Found in version: 4.3-1656~g1d40f21ca	
Description Maybe this is supposed to be like this, but I just had a "invalid start code" error in a recording, the error counter in the "current/upcoming recordings"-tab increased by 1 as I expected, but in the subscription tab the error counter of that subscription stayed at 0.
