

Tvheadend - Feature #5444

Scheduler: Allow to subscribe specific service instead the mux to update CA entitlements (EMM)

2018-12-17 18:14 - Daniel Kucera

Status:	New	Start date:	2018-12-17
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	4.2		
Description			
I'm using SATIP card which doesn't support sending full mux and I need to update subscriptions on my CA card by sending EMMs. Would it be possible to add specific pids to mux scheduler or specify service which to receive during scheduled time?

See here: [\[\[https://tvheadend.org/issues/4595\]\]](https://tvheadend.org/issues/4595)

There is a link to a patch which allows you to schedule a specific service.

#2 - 2018-12-18 12:12 - Jaroslav Kysela

- Subject changed from *Specify pids for mux scheduler* to *Allow to subscribe specific service instead the mux to update CA entitlements (EMM)*

#3 - 2018-12-18 12:19 - Jaroslav Kysela

- Subject changed from *Allow to subscribe specific service instead the mux to update CA entitlements (EMM)* to *Scheduler: Allow to subscribe specific service instead the mux to update CA entitlements (EMM)*

#4 - 2018-12-21 14:35 - Jaroslav Kysela

- Target version set to 4.2
