<b>Target version:</b>	

**Description**

It would be useful if Tvheadend included channel numbers in its M3U playlist export. This can be done by providing the tvg-chno attribute on the same line as the channel ID and name.  
For example, this:

```
#EXTINF:-1 tvg-id="8bde0f436e7cb6e062e736a982875ad1",BBC ONE Lon  
http://1.2.3.4:9981/stream/channelid/1125113483?ticket=B354D691FB97BEF2B87AA3CEB13143048C93940B&  
profile=pass
```

Would become this:

```
#EXTINF:-1 tvg-chno="1" tvg-id="8bde0f436e7cb6e062e736a982875ad1",BBC ONE Lon  
http://1.2.3.4:9981/stream/channelid/1125113483?ticket=B354D691FB97BEF2B87AA3CEB13143048C93940B&  
profile=pass
```

### History

#### #1 - 2019-05-04 07:02 - saen acro

This must be easy to fix channel number is already exported to epg

#### #2 - 2019-10-08 19:46 - neil mac

This feature is already there.
