<b>Found in version:</b>	4.2		
<b>Description</b>			
<p>I am having lots of troubles with bouquets and EPG data at the moment.</p> <p>This means that I have to delete/add channels from time to time.</p> <p>I have noticed that, for example, if I set a series record on BBCOne HD and then delete and then re-add the channel the autorecord is removed and I have to set it up again.</p>
